

Club Championship Play-off Rules

2023-2024

- All games will be eight end games.
- Higher Seeded Team Will Receive Choice of Hammer OR Stone Colour
- Normal buzzer rule will apply (finish the end you are on once the buzzer goes).
- Should the game be tied at that point, play one additional end. If still tied, one player from each team shall deliver a stone with sweeping; and the closest to the button shall be declared the winner.
- Games on the 9:00 p.m. draw will be given extra time should their sheet not be ready.

The buzzer rule will not apply for the Final Championship games. If the game is tied after regulation, additional ends will be played.

Playoffs will be a six (6) team modified page playoff in each Division (A-B-C-D) of each respective evening league. It will be a **SINGLE KNOCKOUT**, except for the top 2 seeds of each division who get rewarded by having a modified page playoff game.

Women's, Mixed & Senior Men's Club Championships are **SINGLE KNOCKOUT**.

Men's Club Championship will come from the Men's League on Thursday night.

Substitution Rules

In addition to meeting gender/player requirements of the chosen division, the substitute shall be:

1. a player from the rover list
2. a player from the spares list
3. a player from any league that curls at North Hill Curling Club

Rovers may play any position on a Team whereas any other substitute must play front end (lead or second). To be eligible for play a team must have 3 players, including at least 2 of the registered players of the Team. A Rover may not take the place of a registered player during the playoffs. Teams must address any substitution discrepancies before the commencement of the game. If the issue cannot be resolved a Night Captain or the Club Manager should be notified.

All evening league teams at the NHCC are eligible to compete in a play-off event commensurate with league performance.
