

North Hill Curling Club

Coronavirus Bulletin

November 9, 2020

Calgary, Alberta – November 9, 2020

The North Hill Curling Club (the "NHCC" or the "Club") has been informed that 2 Monday Night Open Curlers that play on the same team, have tested positive for COVID-19. Both curlers, who were tested on weekend, were advised yesterday by Alberta Health Services ("AHS") of the positive test result.

These curlers were last in the building on Monday November 2, 2020 (early draw). They did not go up to the lounge. Both are currently isolating in their respective homes. Their team and opposing Skip have been informed.

We sincerely wish for a speedy recovery of the individual who visited our facility.

The Management and Board of Directors of the NHCC remain committed to the health and safety of its curlers and employees and have put in place a number of protocols to mitigate transmission of COVID-19. It is essential that all people coming into the facility comply with posted rules regarding the use of masks and physical distancing. We reiterate that anyone experiencing any symptoms should stay at home and contact health authorities.

Any future communication of a similar nature will be posted to our website; so please go to www.nhcc.ca to check for updates.

If you have any questions, please don't hesitate to contact Todd Bolianatz, General Manager, at 403-277-3158; or curl@nhcc.ca
